Wound care solutions at your finger tips

LINK

Learn. Inform. Network. Knowledge.

Sharing best practice is critical to keep up with developments in wound care, and we see partnerships as an integral part of healthcare delivery and excellence.

Our LINK Clinical Partnership Managers can work with you to provide clinical solutions such as education and training, or working alongside your clinicians to improve patient outcomes.

What this means for you

Personal development

- Clinical Exchange Programme

- Article and case study support and development

- Understanding the NHS Agenda

Clinical Practice Support

- Clinical education

- Bespoke Pathway development

- Practice Nurse specific educational modules

- Guideline development and implementation

What does this mean?

- Improve the experience for your patients
- Improve the clinical outcomes for your service
