

HARTMANN

The new MoliCare[®] Premium Form

Improved absorbent core technology for a drier feeling

MoliCare[®]
Protection. Every day.

New and improved MoliCare® Premium Form

Here's what has changed – for an even drier feeling

NEW

Unique absorbent core

- 64% faster urine absorption* and extra odour neutralisation
- Extra leakage protection with new absorption channel and cuffs
- Advanced skin protection thanks to balanced pH
- Perfume-free
- Patent pending

NEW

Packaging and design

- Reduced waste due to reduced use of colours in printing of plastic and cardboard
- Outer box made from up to 100% recycled material
- 6% less packaging material used
- Reduced CO₂ footprint thanks to 554 fewer trucks on the road

Quality that's here to stay

- A quality product from HARTMANN, developed alongside caregivers
- Manufactured in Germany and France

*vs previous MoliCare® Premium Form

Improving care through innovation

MoliCare® is Europe's leading incontinence brand in nursing homes*

As a HARTMANN brand, MoliCare® aims to improve the daily lives of individuals living with incontinence and those who care for them.

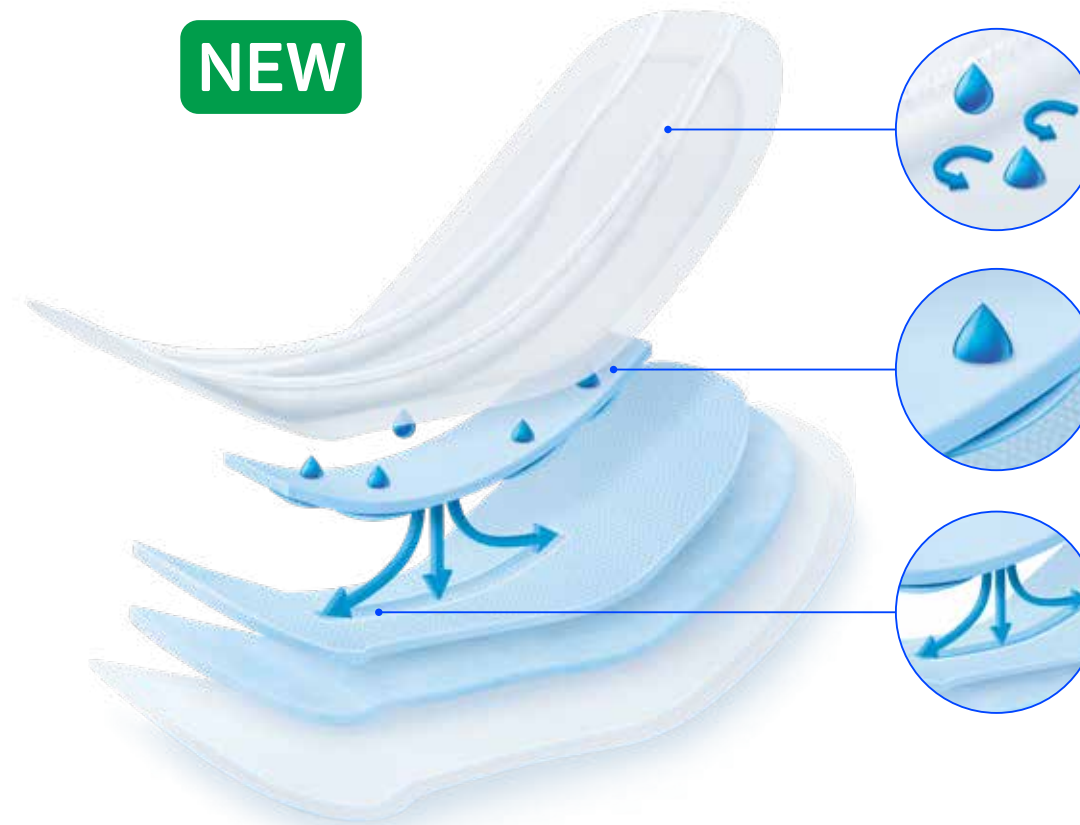

Innovation:

A new absorbent core technology with:

- New materials for a drier surface
- A new channel that absorbs urine faster and distributes it securely into the absorbent core
- An improved SAP-cellulose mix to further neutralise any unpleasant odours
- Balanced pH to help prevent skin irritations

Unique absorbent core technology:

NEW

Cuffs:

Extra leakage protection for an improved feeling of security

Acquisition distribution layer:

barrier function for a drier surface, balanced pH

Channel:

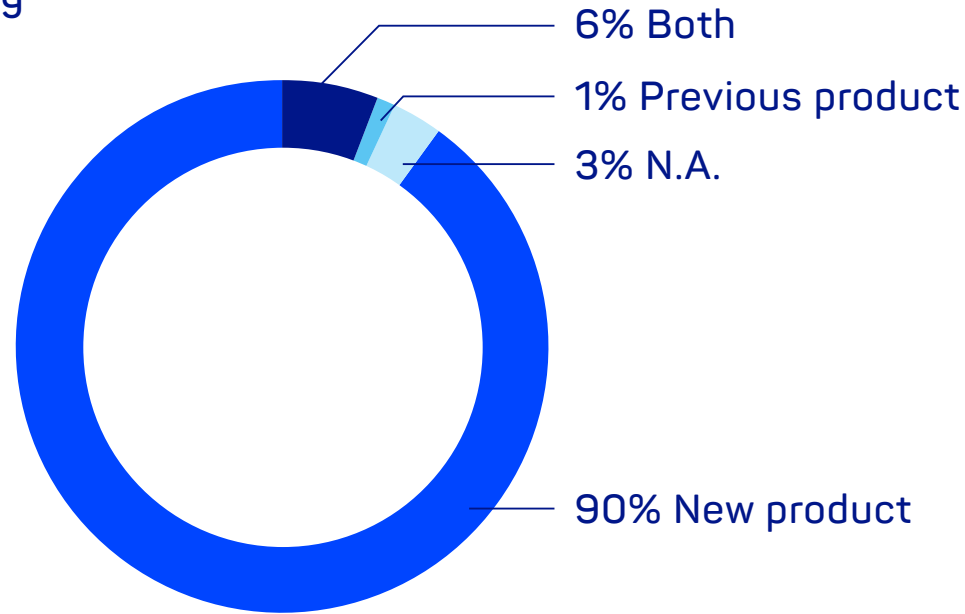

faster urine absorption, during the second micturition in particular

Approved by those who care

90%* of carers prefer the new MoliCare® Premium Form

In a market study conducted among nursing homes in 2021, 90% of the caregivers questioned said that they preferred the new MoliCare® Form.

- “The channel improves the capacity”
- “The absorption is faster”
- “The new product offers better leakage protection”
- “The pad is softer”
