

**your solution for managing  
wound moisture was simple  
and safe?**

# Zetuvit<sup>®</sup> Plus Silicone Border

Waterproof  
bacteria- and  
viral-proof  
barrier <sup>[6]</sup>

Comfortable  
padding <sup>[5]</sup>

Atraumatic  
dressing change <sup>[4]</sup>

Transparent  
border

Product illustration

Suitable for use under  
compression <sup>[2]</sup>

## Effective

Designed to prevent exudate-related complications

## Versatile

Simple to choose,  
simple to use

## Patient-friendly

Help socially isolated patients  
regain confidence

*"I am currently trialling Zetuvit® Plus Silicone Border, and I am using it on a highly exuding category 4 pressure ulcer. All other dressings have been ineffective in regards to the exudate management. The dressing is managing the exudate well and the dressing is staying in place and not lifting. In addition staff are finding it really easy to apply and remove"* Julie Taylor, TVN  
Cwm Taf Morganwg Health Board, Princess of Wales

UK testimonial

## Simple & intuitive application

Watch how easily  
**Zetuvit® Plus Silicone  
Border** can be applied:

# EFFECTIVE, VERSATILE & PATIENT-FRIENDLY

When the benefits of a silicone foam\*  
meet the benefits of a superabsorber:  
**Zetuvit® Plus Silicone Border**

**Designed to prevent exudate-related complications:**

For a wide range  
of acute and chronic  
exuding wounds

Keeps exudate locked  
and users find that it  
prevents periwound  
damage<sup>[1, 2]</sup>

Offers very good  
absorption and retention  
performance while  
maintaining optimal  
microclimate<sup>[1, 3]</sup>
