**NEW AND
IMPROVED!**

Get ready for
the big reveal.

Zetuvit® Plus
Silicone Border
is now called
**RespoSorb®
Silicone Border.**

- ➕ Improve healing conditions
- ➕ Patient friendly
- ➕ Even more versatile

Introducing RespoSorb® Silicone Border. The new name for Zetuvit® Plus Silicone Border.

It can still mean the difference
between managing and healing wounds,
just with a different name.

Improves healing conditions

Versatile, effective, patient-friendly

More sizes and shapes

Simple to choose, simple to use

RespoSorb® Silicone Border.

+ Improves healing conditions

Predicted better health outcomes and cost-effectiveness
compared with foam dressings.²

Expected improvement to Quality Of Life
compared to standard of care.³

Reduces risks
of leakage, strikethrough,
and odour

Stays in place
for up to 7 days even when
showering

Comfortable
during wear time, almost
painless dressing changes

+ More sizes and shapes to suit more types of wounds

RespoSorb® Silicone and **Silicone Border** comes in 9 new, easy-to-use sizes and shapes to treat a wider variety of wounds including venous leg ulcers, pressure ulcers and diabetic foot ulcers.
